INDUSTRIAL

Heavy-duty, practical, stackable; these are the main traits required for any industrial storage ware. Baskets and trays that need to take a beating, haul massive weight while in itself almost weightless, and can be shelved to the side when not used.

At Felton, we put our products to vigorous daily tests right here in our own warehouses. We sell what we know works, both in terms of durability and organization.

TRAY

INDUSTRIAL

FFT 888

When transporting and storing food, you need plasticware that is made from food grade polyurethane. This ensures your food remains untainted by the material, and cannot be contaminated by external objects and fluids. Our line of food grade trays come in the classic yellow and are stackable. For added safety, accompany the trays with our food grade tray lids.

BASKET

FGC 2433-N

Trade glass bottles by the heaps? We've got the perfect stacking tray for you. The FGC 433-N Glass Crate has compartments that store 6 glass bottles along 2 rows. They are incredibly durable and include handles on all sides for easy transporting. For added measure, we also include peep holes all over so you can spot the contents without moving them up and down a stacked wall. Glass Crates come in yellow and grey variants.

CONTAINER

FIC 2056B

If you're looking for stackable containers that can take a beating and handle heavy-duty work day in and day out, this one's for you. Built with external frames that help maintain its durability, while keeping it lightweight, the Industrial Stackable Container range comes in multiple sizes and colors. The four legs at the corners also help keep containers from sliding off while stacked up.

HOME FURNISHING

Window dressings make homes comfortable and inviting. Felton's range of Home Furnishing products include curtain rods with a wide selection of decorative end caps. Choose from classic, leaf, arrow head, crystal, and more that add flair to your fixtures. If you prefer the tried and true aluminium curtain rails, we've got them too.

Alternatively, window blinds work better with kitchens, outdoor and bathrooms. They are easier to maintain and are more weather resistant. Outdoor blinds come in a choice of bamboo and timber. Indoors, you have the option of Venetian and Roller Blinds in a multitude of colors.
