Vision: To improve our product range and quality to expand into international market, so everyone can enjoy our products.

Since year 1983

Federlite Sdn Bhd, a renowned manufacturer of plastic products under the brand name FELTON since 1983, specializes in the development and modeling of a diverse range of plastic items, including Plastic Storage, flower pots, plastic furniture (chairs), Plastic Industrial Containers, and various Plastic Household items such as Stationery, Drawer, Household, Food container, and Basket. The Research & Development team plays a crucial role in creating innovative concepts and ideas for these items.

The company has witnessed significant success, particularly in the Plastic and Window Covering Divisions, achieving a remarkable 20% annual turnover growth since 2003. FELTON products have gained popularity both in the local and global markets. The extensive product range caters to Plastic Storage solutions, flower pots, plastic furniture (chairs), Plastic Industrial Containers, as well as various Plastic Household items.
